

# **ROBOTHON**

## **INTRODUCTION**

A prototype must be developed within few days, based on the problem statement given 2 days prior to the event, working anywhere one wishes.

## **DETAILS**

1. The problem statement shall be released on 11/9/2019 at 9 AM IST.
2. The problem statement is regarding a real life problem.
3. All teams get 3 days to find a solution and develop a corresponding prototype.
4. The final prototype must be submitted on 14/9/2019 at the specified venue by 1 PM IST. One can also use the college premises for working when the fest is ongoing.
5. The teams must introduce their prototype and explain in brief about it before the judges.
6. The winner shall be decided on the basis of innovation and utility of their solution, and the design of the prototype.

## **RULES AND REGULATIONS**

1. A team can consist of a maximum of 4 members.
2. Members of different institutions can form a team but must carry their respective college ID's.
3. The participants are free to work anywhere they wish.
4. The prototypes shall not be accepted after 1 PM IST on 14/11/19.
5. No technical assistance shall be provided by the coordinators during the time of the event.
6. Once the prototype is submitted, no changes can be made to it.
7. Any participant can not participate in the same event twice.
8. The organizers are not responsible for any kind of damage to the robot.
9. The winners shall be decided by the lecturers. In case of any discrepancies, the decision of the event head is final. No further arguments shall be entertained.

NOTE: Kindly keep visiting the website ([robovanza.cbit.org.in](http://robovanza.cbit.org.in)) for further updates.

## **JUDGING CRITERIA**

There shall be two criteria for judging – best solution, and best design and innovation.

## CERTIFICATE POLICY

1. A certificate of participation shall be awarded to all the participants, except for the disqualified ones.
2. A certificate of merit and cash prize shall be awarded to the winners.
  - Best Design and Innovation : **4000 INR**
  - Best Solution : **3000 INR.**
